EMERGENCY CONTACT INFORMATION

All Owners must complete and sign an EMERGENCY TREATMENT PERMISSION FORM to be kept on file at the Boarding Cattery. If your cat/s becomes sick or injured and requires professional attention, or your cat/s' health demands quick action, you hereby authorize PurrInn Cats Hostelry to have a veterinarian we select look at and treat the cat/s for the cause and effect at your expense. We would not take your cat to your own vet under normal circumstances. It would not be unusual for our vet to contact your vet for needed information or professional courtesy. We will attempt to reach you. If we cannot reach you, you authorize us to contact the individual designated as Emergency Contact. You agree that your Emergency Contact shall have your full and complete authority to make all decisions, including the expenditure of funds, for or on behalf of you and your cat/s.

If we feel that the cat/s requires medical attention and/or are unable to reach you or your emergency contact, your cat/s will be taken to a local veterinarian of our choice. If the problem occurs after hours, we will use the emergency clinic at SEATTLE VETERINARY SPECIALISTS 11814 115th Ave NE Ste 102 Kirkland WA (425) 823-9111. All necessary vet visits for your cat/s or another cat, or hospital visits for a person, caused by your cat/s, being reasonable in amount, shall be promptly paid for by you. You agree to hold Cattery harmless from any action, claim, or suit, including its attorney's fees brought by third parties connected with medical treatment to the Cat/s which you drop-off for boarding at PurrInn Cats Hostelry.

Although it's hard to imagine, if your cat should happen to pass away while on site, we would like to know what you would prefer we do, given we cannot get in touch with you, until you have returned home. _____

Who should we call in an emergency, and are they aware that they're listed as emergency contact? Yes ___ No ___
